WHO WE ARE

Access Ability Wisconsin, Inc. (AAW) is a grassroots 501(c)(3) non-profit organization dedicated to facilitating and providing the means for individuals with mobility challenges to access and enjoy Wisconsin’s natural resources.

AAW encourages awareness and volunteering. AAW’s strategic plan is to increase exponentially the community’s right to access the great outdoors! AAW accomplishes its mission by purchasing and making available at no cost (FREE to use!) outdoor wheelchairs and other adaptive equipment.

AAW’s goals consist of providing increased opportunities for those with physical disabilities to participate in outdoor activities with family and friends, as well as improving access to our equipment by establishing more host locations.

Our reward is the smiles on everyone’s face when the chairs are used.

Our medical mobility equipment is like our shoes; the outdoor wheelchair is like our hiking boots...
